

# City of Jurupa Valley

## **STAFF REPORT**

**DATE:** FEBRUARY 17, 2022

**TO:** HONORABLE MAYOR AND CITY COUNCIL

**FROM:** ROD BUTLER, CITY MANAGER  
**BY:** VICTORIA WASKO, CMC, CITY CLERK

**SUBJECT:** AGENDA ITEM NO. 5.A

**PUBLIC HEARING TO CONSIDER CITY COUNCIL DISTRICT BOUNDARIES; REVIEW OF MAPS SUBMITTED BY THE CITY'S DEMOGRAPHER AND THE PUBLIC AND RECEIPT OF PUBLIC INPUT ON COMMUNITIES OF INTEREST AND PROVIDE DIRECTION FOR NEW MAP OF CITY COUNCIL DISTRICT BOUNDARIES**

---

### **RECOMMENDATION**

- 1) That the City Council open the public hearing and receive any public testimony;  
and
- 2) That the City Council provide direction to staff regarding which map should be considered for inclusion in the Ordinance to adopt new district boundaries for the Jurupa Valley City Council that will be introduced at the City Council Meeting of March 17, 2022.

### **BACKGROUND:**

Every ten years, cities with by-district election systems must use new census data to review and, if needed, redraw district lines to reflect how local populations have changed. This process, called redistricting, ensures that all districts have nearly equal population.

The City adopted its current district boundaries on August 3, 2017, by Ordinance No. 2017-12. The districts must now be redrawn using the 2020 census data and in compliance with the Fair Maps Act, which was adopted by the California legislature as AB 849, which took effect January 1, 2020.

The proposed ordinance, which will adopt the new district boundaries, is scheduled for introduction at the March 17, 2022 Council meeting.

## **ANALYSIS:**

The redistricting process for the City of Jurupa Valley must be completed by April 17, 2022. The City Council must conduct at least four public hearings (two hearing before any maps are drawn, and at least two hearings after the maps are drawn) to receive public input on redistricting and the drawing of final district maps, including which district maps should be selected.

This is the third of four required public hearings. The first two public hearings were held on October 21, 2021 and December 2, 2021.

Throughout the public engagement process, members of the public were encouraged to submit examples of communities of interest and to propose draft maps via an online mapping tool provided by the City's demographer, National Demographics Corporation.

The Council shall adopt district boundaries using the following criteria as set forth in the following order of priority:

1. Council districts shall be geographically contiguous.
2. The geographic integrity of any local neighborhood or local community of interest shall be respected in a manner that minimizes its division. A "community of interest" is a population that shares common social or economic interests that should be included within a single district for purposes of its effective and fair representation. Communities of interest do not include relationships with political parties, incumbents, or political candidates.
3. Council district boundaries should be easily identifiable and understandable by residents. To the extent practicable, council districts shall be bounded by natural and artificial barriers, by streets, or by the boundaries of the city.
4. Council districts shall be drawn to encourage geographical compactness in a manner that nearby areas of population are not bypassed in favor of more distant populations.

The City's demographer, National Demographics Corporation, has prepared three (3) draft Council District Maps for the Council's consideration. The maps have been posted on the City's Redistricting Webpage at: <https://redistrictjurupavalley.org/>

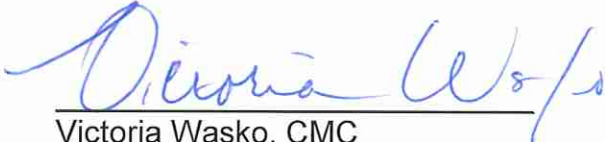

## **FINANCIAL IMPACT**

There is no cost with respect to this public hearing. However, the contract costs associated with the redistricting project was approved through the FY 2021-22 Budget.

## ALTERNATIVES

1. None. The redistricting process is required by state law.
